

Competing Greek Words for Pleasure in the Epicurean Corpus?

Post by “Joshua” of October 31, 2023 at 2:17 PM

Cicero is just willfully obtuse on this point, as we've been discovering. Pleasure refers to a wider range of feelings than he is willing to acknowledge. Even Socrates in [Philebus](#) is prepared to recognize that Aphrodite, though having one name, signifies a number different *varieties* of pleasure.
