

Welcome Raphael Raul!

Post by “Raphael Raul” of November 17, 2023 at 9:27 PM

Hello, I just joined the forum and look forward to sharing ideas about Epicurean philosophy, which I have been studying on and off for years. I have much more to learn and absorb about this beautiful guide to living. I am an artist and create, at times, philosophical art posters. I'll post one on the site relevant to our times with an Epicurean thought.
