

So You Want To Learn Ancient Greek Or Latin?

Ανοθερ τιπ... Oh, sorry... Another tip:

Duolingo has a Greek course that includes an alphabet learning section. I'm currently on day 67 of the course.

But... And this is a big "but"... The language is modern Greek, not ancient or Koine Greek. So the grammar and pronunciation are modern. So, it can be helpful, but it's not a substitute for learning ancient or Koine Greek itself.

Note: I am NOT getting into the pronunciation "debate" here in this post! However, be aware that that is a HOT topic for modern Greeks. For now, stick to reading.
