

The Description of Epicurean Philosophy On Wikipedia

Post by “Cassius” of November 27, 2023 at 7:37 PM

Thanks for posting!

Just time for two comments for now:

- He put a lot of effort into that video. Too bad he didn't find a picture of Epicurus to use, and instead used that bald sketch that has no resemblance to Epicurus whatsoever 😊
- I do think his timeline illustration comparing the time after death to the time before birth was well done. That little segment is well worth imitation.!
