

# Welcome BrainToBeing

**Post by “Godfrey” of December 8, 2023 at 12:08 AM**

There aren't many extant texts regarding the *prolépseis*. I'm really curious if and how these may relate to current neurology. As [Don](#) mentioned, some of us have been reading "popular" neuroscience books and, to us, there seems to be a connection. There are various threads in the forums discussing this.
