

Paul Thyry (Baron D'Holbach / Mirabaud) - French / German Sympathizer With Some Epicurean Ideas

Post by "Cassius" of December 16, 2023 at 12:42 PM

Stanford philosophy entry on D'Holbach. This indicates he may have been a determinist so it will be interesting to look to see if that deviation from Epicurus is really there as to humans, or if he is just referring to the background majority of events which Epicurus himself held to be determined from the beginning of world formations (letter to Herodotus).
