

# "Moral Darwinism: How We Became Hedonists." Review.

Post by "Cassius" of April 3, 2019 at 10:38 AM

[Quote from Daniel](#)

a happy accident of chance

Same comment on this as before in my reference to A.A. Long. I think it is a common theme among religious opponents of Epicurus that they like to attribute the fact of life to "chance" rather than to the natural properties of the elements. "Chance" seems to carry a derogatory weight that they like to exploit.
