

# THE HEDONICON (or The Holy Book of Epicurus)

Post by “Eikadistes” of December 26, 2023 at 2:30 PM

## [Quote from Cassius](#)

I now have my printed copy of Nate's new book and I want to second the praise in the posts above. The images included with the book (Nate's wife art plus the timeline and map) are a great bonus. It's well organized and has a very good introductory essay. This is quality work and it's great to see Nate take the initiative to do this!

Thank you for the praise! I appreciate all of your support. There are certainly places I would like further develop, but I am pleased with the First Edition and I hope others find it to be a useful reference book.

Thanks also, [Bryan](#) for the Amazon review. They always help!
