

Forum Upgrade Issues and Downtime 12/28/23

Post by “TauPhi” of December 30, 2023 at 12:47 AM

The site looks brilliant. Nice update. Couple of bugs I've noticed:

- 'Recent Threads' under 'Recent' drop down menu seems to be broken when not logged in (the formatting is way off). It looks ok when logged in.
- 'Activate light style' and 'Activate dark style' do exactly the opposite. You may want to switch the descriptions.
