

Forum Upgrade Issues and Downtime 12/28/23

Post by “Godfrey” of December 30, 2023 at 8:18 PM

Another thing I'm noticing is that when I click on a link to a post in the Unread Posts list, it takes me to the top of the page that contains the unread post. Prior to the update it would go directly to the post, which is much more convenient when the threads get long. This is on an Android tablet; not sure about other devices.
