

DeWitt (Norman) - "St. Paul And Epicurus"

Post by "Cassius" of April 7, 2019 at 10:33 AM

I just noticed that the online version of St Paul and Epicurus does not contain the "Verses Newly Explained or Translated" table. If someone is looking for a particular verse, such as when we are putting together this spreadsheet, they will need that table.

Here it is - attached

The image shows two pages from a book. The left page is titled "Verses Newly Explained or Translated" and contains a table with columns for "NEWLY EXPLAINED OR TRANSLATED" and "REFERENCES". The right page is titled "INDEX" and contains a table with columns for "INDEX" and "REFERENCES".
