

# VS64 - Source in Vat.gr.1950

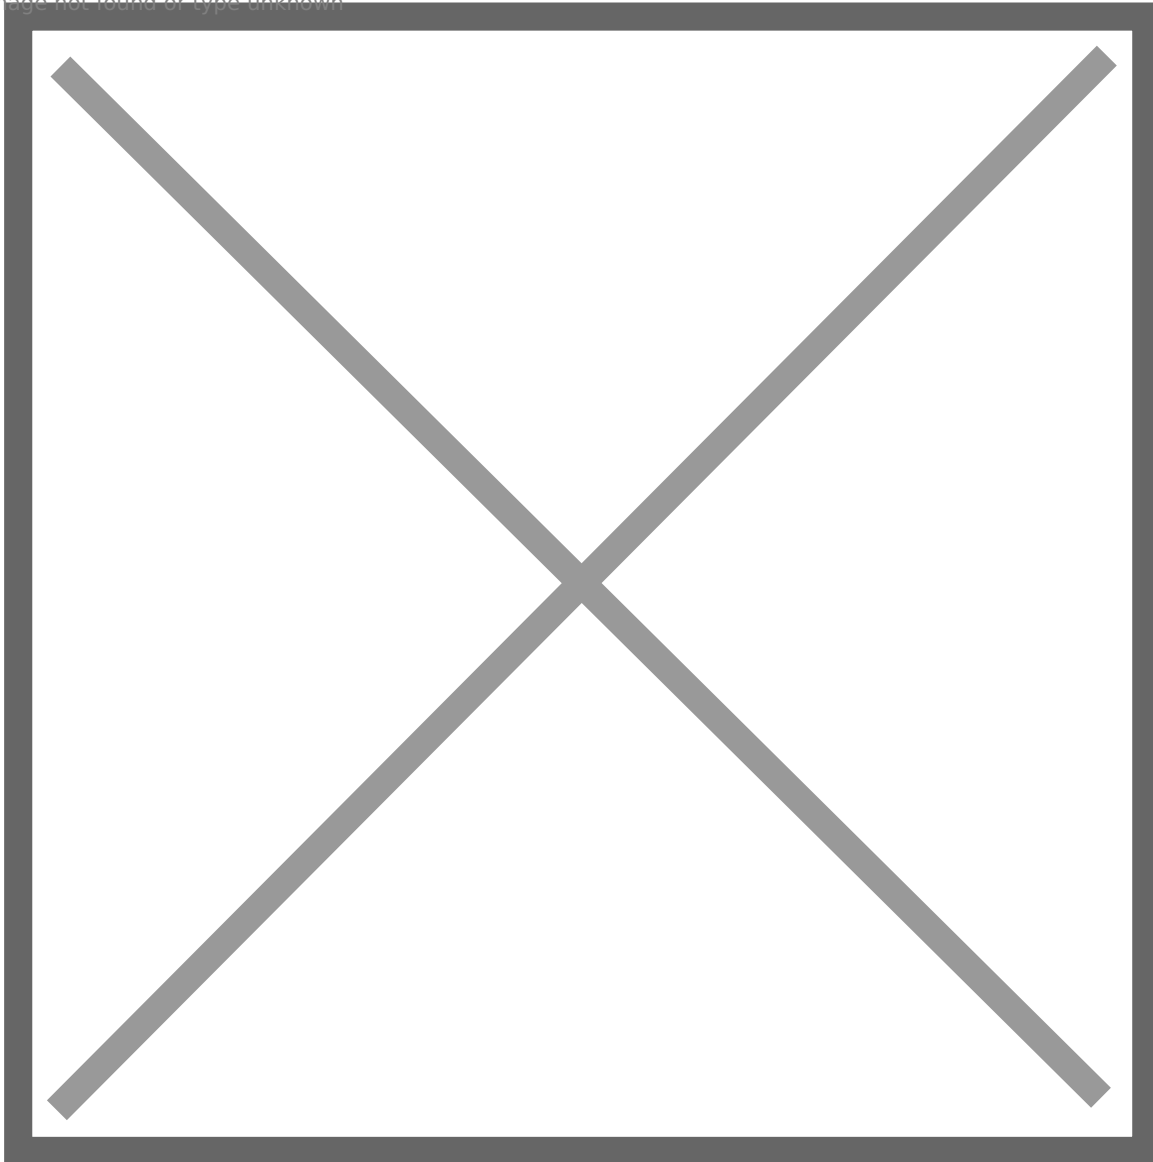

Post by "Pacatus" of January 26, 2024 at 5:02 PM

## [Quote from Don](#)

The esteem of others is outside our control; we must attend instead to healing ourselves.

I really like this rendering. "Improving" is good -- and perhaps better in breadth -- but, for that very reason seems to me (personally!) more abstract. 😎
