

The Legendary Predecessor of Epicurus

Post by "DavidN" of January 26, 2024 at 6:16 PM

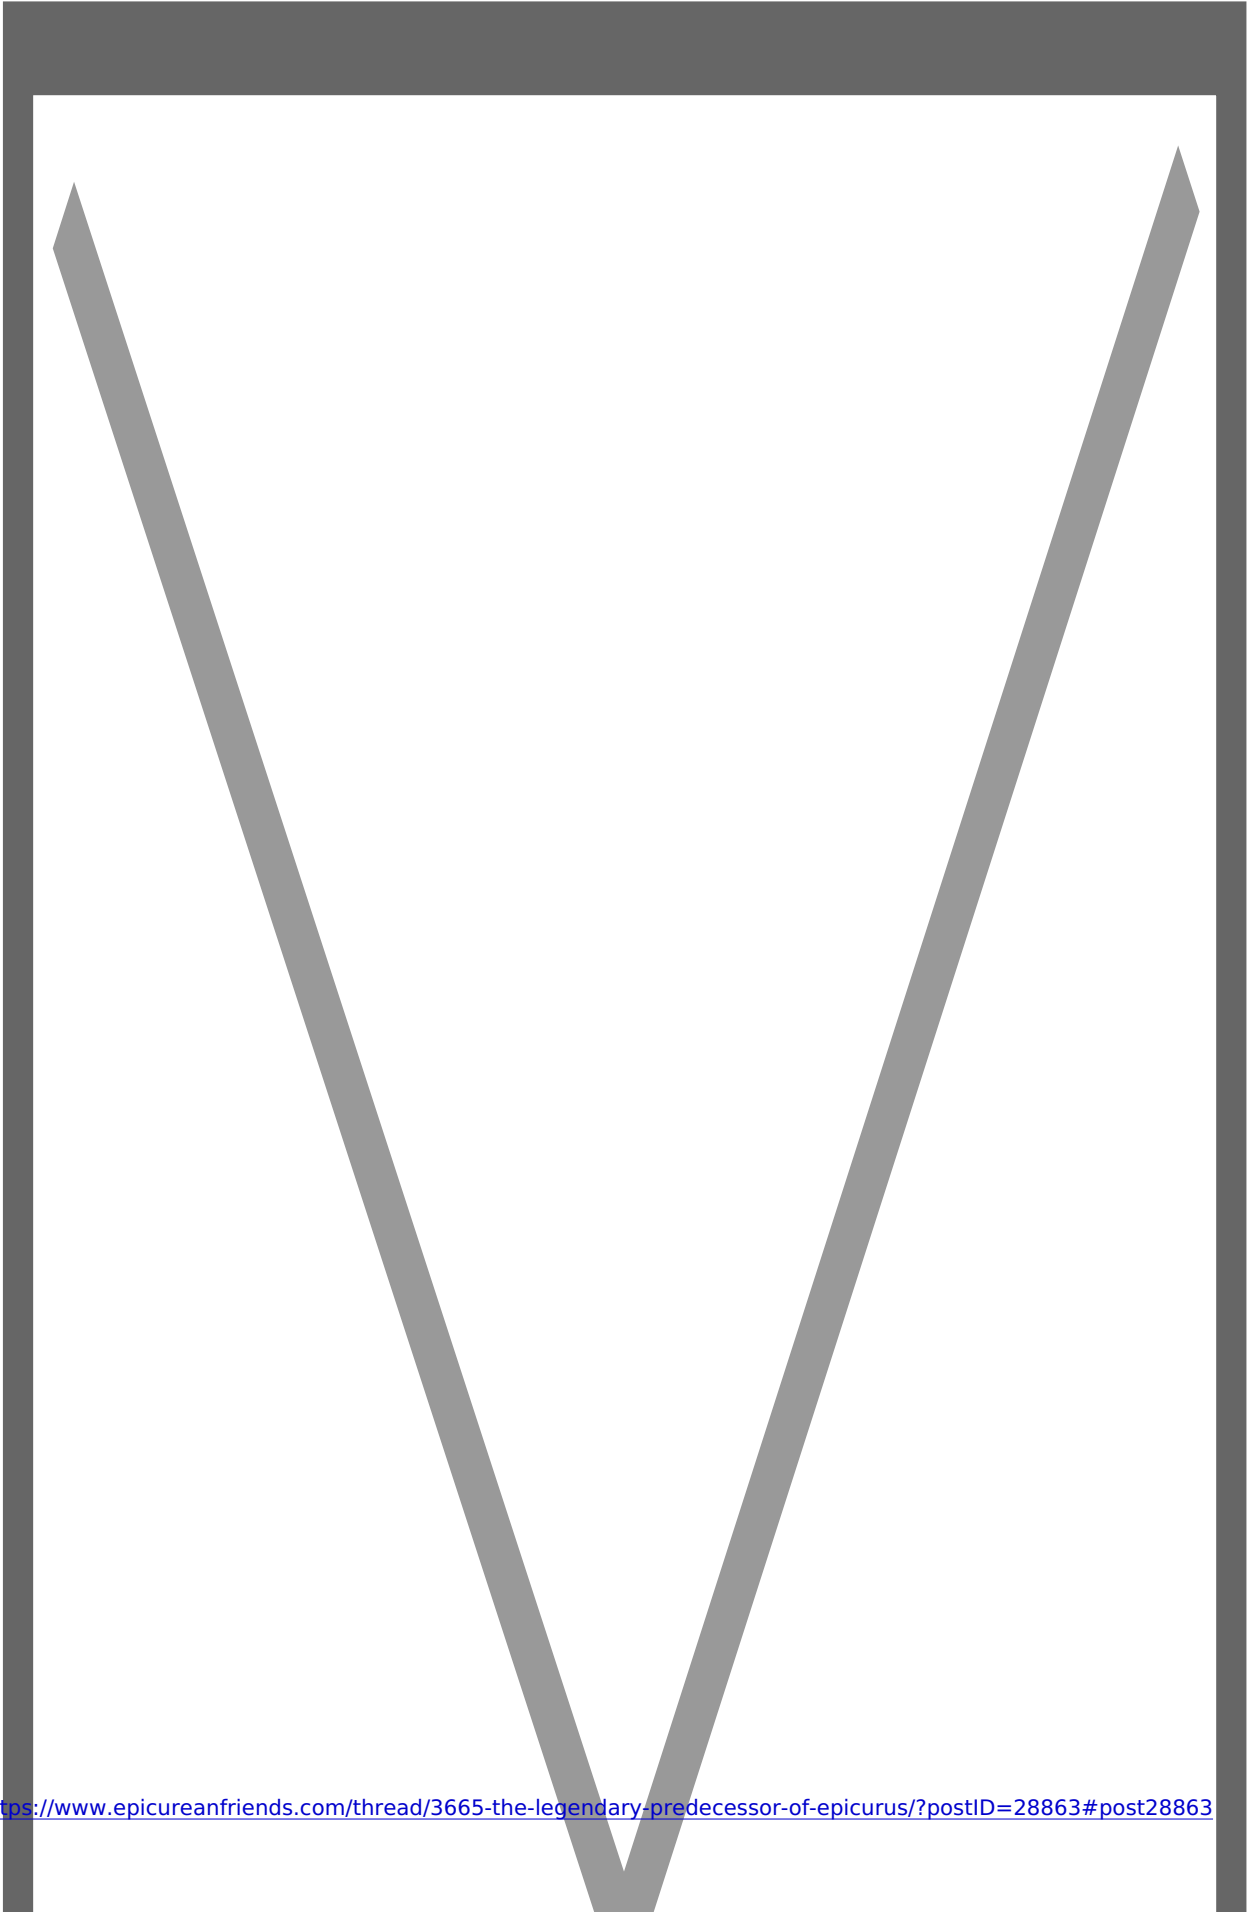

[Quote from Bryan](#)

[Quote from Cyrano](#)

But the moneyed rulers of society have very good reason for wanting us to revere Plato and Socrates and to be ignorant of Democritus and Epicurus.

Thank you Sir! This is true. I am about to share a work of Polystratus (a student of Epicurus) which, as far as I know, has not before been fully translated into English -- but modern education institutions have a lot of time and money --- can they not produce an English translation of Polystratus for the public? It is more than suspicious!
