

Did Epicurus Advise Marriage or Not? Diogenes Laertius Text Difficulty

Post by “Pacatus” of January 28, 2024 at 2:54 PM

[Quote from Cassius](#)

the argument that he was a strong opponent or he forbid it is to me just more evidence of how hostile much of the academic world is to Epicurus

Even among scholars who, for one reason or another, carved out for themselves a niche in Epicurean scholarship. Even if sometimes it's a subconscious bias that creeps in. I hope Sider's work on the actual poems of Philodemus is better! 😡
