“Women are the only exploited group in history to have been idealized into powerlessness.”
Erica Jong

(I never really read her prose – e.g. her novel *Fear of Flying* – but I have her book of selected poems, *Becoming Light*, into which I delve for inspiration now and then. “I guess the thing that I’m most proud of is that I kept on writing poetry. I understand that poetry is sort of the source of everything I do. It’s the source of my creativity.” Erica Jong)
