[Quote from Bryan](#)

the areas of active pain in my body have been limited to specific places and to specific times. Most of the time, most parts of my body are not feeling pain (even if my elbow hurts all the time).

[Bryan](#) , What would happen if you said this about pleasure:

...the areas of active pleasure in my body have been limited to specific places and to specific times. Most of the time, most parts of my body are not feeling [stimulative] pleasure.

Thoughts?
