

Episode 214 - Cicero's On Ends - Book Two - Part 21 - Cicero Argues For An Ideal View of Friendship and Happiness Which Epicureans Reject

Post by "Cassius" of February 13, 2024 at 9:05 PM

Episode 214 of the Lucretius Today Podcast is now available. Today we take up Cicero's challenges that friendship cannot be friendship if it can be terminated for advantage, and happiness cannot be happiness if it is not completely under our control and we have the possibility of losing it.
