

# **A Discussion On Anticipations from 2017**

**Post by "Cassius" of April 13, 2019 at 11:50 PM**

Comments by another poster:

See Schneider's great MA thesis on perception for a field survey that includes Bailey, DeWitt, and other commentators, <https://l.facebook.com/l.php?u=https%...zXrEiq6ZNn3s7g->

Look at this criticism: "As later scholars note, Bailey's rich interpretation of the role played by the apprehension (epiboles) of the senses and the mind goes beyond well the evidence."
