

Epicureanism as an Ongoing Practice - Multiple Takes

Post by “Kalosyni” of February 19, 2024 at 8:30 AM

I actually now have proof that Philodemus was influenced by the Stoics:

JSTOR article: Philodemus on Emotions

<https://www.jstor.org/stable/43767829>

I wasn't able to access the article but the Google entry says this:

Quote

Philodemus' concept of 'bites' may have been influenced by earlier Stoic presents many affinities with them. Like the Stoics, he considers 'bites' natur.
