I've prattled on long enough for now... Satisfied, Cassius 😄

Yes, very satisfied, thank you!

I do hope my good-natured invocation of your name in my post came across that way 😊  
Thanks for the nudge!

I've been looking around about Kevin J Mitchell and found this review of his book with links to blog posts of his reacting to Sapolsky:

Image not found or type unknown

[Book review – Free Agents: How Evolution Gave Us Free Will](#)

A tightly argued and compelling case in favour of free will, Free Agents provides thought-provoking ideas that are relevant far beyond this debate.
