

Episode 215 - Cicero's On Ends - Book Two - Part 22 - The Epicurean View Of Happiness

Post by "Don" of February 24, 2024 at 4:02 PM

Remember... Happiness = ευδαιμονία (eudaimonia) in Epicurus. Eudaimonia does not carry the same semantic connotations that "happiness" does in English. I truly dislike that translation

What Latin word does Cicero use?
