As long as several of our regular people remain engaged I am not inclined at all to see the conversation stop, so don't worry about that.

In my own case I am trying to edit the podcast we recorded yesterday as I think it contains some pressing material we also need to deal with, so I better work to keep [Joshua](#) in line over there while you guys tend to this.

Just keeping Joshua in line is a full time job so you guess tend to things so we don't need to many planks!!
