

On Use Of The Term Apikoros / Apiqoros / Bikouros Against Epicureans

Post by “Don” of March 18, 2024 at 7:34 AM

Just a note on 'apiqoros coming from Epicurean and not Epicurus, remember that the ancient Greek for "Epicurean" is Ἐπικούρειος (Epikoureios) so both Epicurean and Epicurus end in sigma (ς "s") in Greek. So it seems to me both are viable options although the group name does seem to make more sense.
