

Is 'happiness' a proper translation of the term eudaimonia?

Post by “Kalosyni” of March 26, 2024 at 11:24 AM

Thinking further about well-being, I made this very tentative graphic to think about the importance of "goods" in relation to happiness and well-being. The base of the pyramid is the most important, and the "goods" are pursued because they bring both "pleasure" and well-being.
