

# Episode 222 - Revisiting the Relationship Between Happiness and Pleasure

**Post by “Bryan” of April 8, 2024 at 4:48 PM**

Cassius, I think what you said here in the intro and at (20:00 -- 20:20) is exactly what Epicurus wanted us to be clear about -- it is more important that we (1) get a clear view about what we are talking about, rather than (2) use the most precise words. Of course, both are good goals to have!

Great podcast everybody!
