

On Use Of The Term Apikoros / Apiqoros / Bikouros Against Epicureans

Post by “Little Rocker” of April 11, 2024 at 10:35 PM

This thread reminded me of a [blog post](#) from a while back about the correspondence between the Spinoza scholar Yitzhak Melamed and an Amsterdam rabbi. The rabbi's rejection of Melamed's request was later overruled, but the record of Spinoza as an 'Epicourous' (note the caps like a proper noun) unworthy of a lifetime of study remains.
