

What is the Best Source of Fragments of Epicurean Texts?

Post by "Bryan" of April 17, 2024 at 7:36 PM

[Quote from TauPhi](#)

Here you can find the transcription, at the very least:

Epicurus-Deperditorum librorum reliquiae

Wow! This will be very helpful -- thank you so much! I have been using a "PDF to text" version of Usener and correcting it back to match the book. This is the smooth transcription I have been looking for! I am happy to have it now at the beginning of the project, it would be unfortunate to find it towards the end!
