

Cosma Raimondi's Letter to Ambrogio Tignosi

Post by “TauPhi” of April 22, 2024 at 9:09 PM

Thanks [Cassius](#). I didn't know about this letter. Until now I thought Lorenzo Valla's 'De Voluptate' was the first kind treatment of Epicurus after a millennium of silence (... or burning at the stake. It's always nice to have a choice.) but it looks like Mr. Raimondi was 2 years ahead.
