

Episode 226 - Cicero's On The Nature of The Gods - Epicurean Section 01 - Introduction

Post by “Cassius” of April 26, 2024 at 9:01 AM

Let's continue the discussion of arguments in favor of supernatural gods here:

[epicureanfriends.com/thread/3826/](https://www.epicureanfriends.com/thread/3826/)

We can eventually split that thread too down into separate subthreads by argument, but let's start a general thread first so we can create the list that needs to be addressed.
