

What Epicurus Offers To The Modern World As Of April, 2024?

Post by “Godfrey” of April 28, 2024 at 1:29 AM

A quick thought prompted by [Don](#) 's post: did Epicurus create a cult around himself?

Did Plato? Aristotle? Epictetus? (&c) They were all the commanding personalities of their schools. Was Epicurus perhaps making his school friendlier, less intimidating? One way of doing that may have been the practice of monthly celebrations. In other words, practices that may seem cultish today may have served functions of which we are completely unaware.
