

Question from Dusty The Donkey

Post by “TauPhi” of May 17, 2024 at 6:49 PM

[Quote from Little Rocker](#)

Donkeys are amazing! And they also avoid politics!

And there's at least one donkey who actively contributed to Epicureanism. His name is Feridun and he stars in a beautiful documentary on Diogenes of Oinoanda.

If one has half an hour to spare, I highly recommend watching the documentary to see the actual place of the inscription and listen to one of the unsung heroes of Epicureanism - Prof. Martin Ferguson Smith.
