

Episode 227 - Cicero's OTNOTG - 02 - Velleius Begins His Attack On Traditional Views Of The Gods

Post by "Kalosyni" of May 18, 2024 at 9:10 PM

Perhaps the gods could be this kind of "preconception". This occurred to me as I was looking at

[Face pareidolia](#) - spotting faces in objects that have none. Pareidolia is a mistake of the mind, part of a human tendency to perceive patterns in random circumstances.
