

Episode 227 - Cicero's OTNOTG - 02 - Velleius Begins His Attack On Traditional Views Of The Gods

Post by "Cassius" of May 18, 2024 at 9:55 PM

Luckily for purposes of the podcast there is no reason to prejudice the issue. We will methodically go through the texts and see where we end up at the other end.

Going though On Ends was a cathartic experience for me, and I expect "On the Nature of the Gods," combined with Joshua's color commentary, to be the same!
