"We have been born once - twice it is not possible to be born: it is necessary to no longer exist for eternity. But you, not being master of tomorrow, you delay joy! Life is lost by this delay - and each of us, while occupied, dies."

Γεγόναμεν ἅπαξ - δις δὲ οὐκ ἔστι γενέσθαι: δεῖ δὲ τὸν αἰῶνα μηκέτι εἶναι. σὺ δὲ, οὐκ ὦν τῆς αὔριον κύριος, ἀναβάλλη τὸ χαῖρον! ὁ δὲ βίος μελλησμῶ παραπόλλυται - καὶ εἷς ἕκαστος ἡμῶν, ἀσχολούμενος, ἀποθνήσκει.
