

# New "TWENTIERS" Website

Post by "Cassius" of May 27, 2024 at 3:25 PM

I see that our friend @Twentier has launched a brand new website where he collects much of his outstanding research into many aspects of Epicurean Philosophy. I have not had a chance to go through it yet so I can't comment on specific sections, but I thought I would go ahead and post this link for those who might be on the internet on Memorial day. I'm sure it will be excellent quality.

Here's the link:
