Welcome to the forum [Remus](#)

Based on your ongoing study and reading, here are some sections which may be of interest to you (if you haven't already seen them):

- [Self-Study Quiz](#)
- **Draft Your Own [Personal Outline](#) of Epicurean Philosophy**

I'm looking at them now. Thank you!

(I'll take the Quiz on a day I haven't had a Sunday afternoon beer. Maybe next week. 😊)
