

Episode 232 - Cicero's OTNOTG - 07 - Velleius Attacks The Platonist And Aristotelian Views Of Gods

Post by "Remus" of June 16, 2024 at 1:40 PM

I listened to the podcast and was struck once again by the idea that If the gods have no bodies then they have no sensation and cannot relate to us or interact with us. (Fanciful science fiction plot lines featuring godlike "creatures of pure energy" not withstanding.)
