

Give Us an Example of God!

The *Society of Friends of Epicurus* accepts a "third interpretation" of Epicurean theology, in addition to the alleged (1) *Idealist* and (2) *Realist* camps ... which I'll just gloss over for the sake of not bogging us down into a partisan philosophical debate 😊 . This third camp is a (3) Non-Theistic interpretation, primarily represented by those of us who are, to be frank, just sort of turned-off by the entire idea of "God" as it is overwhelmingly presented throughout numerous parts of our culture.

Personally, **I feel this**, but I'm not sure its the best way to express Epicurus' thoughts on piety.
