

Guyau - Interesting Summary Essay - The Morality of Epicurus And Its Relationship To Contemporary Doctrines

Post by "Cassius" of May 2, 2019 at 2:44 PM

This is a very interesting sentence, and I think a correct one:

[Quote from Cassius](#)

But let us understand each other, this is not a fundamental and primitive harmony: egoisms work together like pendulums, without mixing and without uniting, and the goal of morality is not the producing of this union, since it would be impossible.
