

Happy Twentieth of July 2024!

ἄξομεν ἐκ λιτῆς εἰκάδα πιστέρην.

"From simple fare, we will richly celebrate the Twentieth."

That's my take on the paraphrase of the last line of Philodemus' epigram. I don't particularly like the usual "instead of simply." I think the "out of.." gets at enjoying friends and food without needing a banquet.

Happy Twentieth y'all!
