

Episode 238 - Cicero's OTNOTG 13 - Velleius Erupts Against Stoic Fate and Supernatural God-Making

Post by “Godfrey” of July 27, 2024 at 2:38 PM

Coincidentally I've begun reading The Longevity Diet by Valter Longo from the USC Longevity Center. Although I'm not sure what to make of the diet, the first two chapters struck me as interesting when considering the [Epicurean gods](#) and theories as to how they might maintain their incorruptibility.

Unfortunately I'm not able to provide a more detailed analysis at this time, but it's worth a look in this regard.
