

# The Notre Dame Fire

**Post by "Cassius" of May 3, 2019 at 7:50 PM**

Ok i see - so he is not talking about a particular ancient book -- I thought perhaps he was referring to the text where the "What has Athens to do with Jerusalem?" was asked (I forget the "father" who wrote it), but that really wouldn't make any sense either for Nietzsche to be citing that approvingly.

Thanks!
