

Choice & Avoidance: towards a better translation for avoidance

Post by “Don” of August 16, 2024 at 7:54 PM

[Quote from Julia](#)

In addition, it seems like pretty much each of these meanings can be employed figuratively, which causes a little tree of meanings to grow from both words

[Quote from Godfrey](#)

This is an excellent case study in the difficulties of translation 🤔

LOL! Welcome to the wonderful world of translation! 😄
