

Technology For Epicureans

Post by “TauPhi” of August 17, 2024 at 7:54 PM

I'm always happy to exchange knowledge with others so count me in.

[Quote from Cassius](#)

At the moment I am thinking mainly of a discussion of research and writing tools that we use in the study of Epicurus, but that's something to discuss.

This can be useful not only for Epicureans but for everyone who uses computers in their research. Great topic for a start.
