

# David Sedley's "Epicurean Theories of Knowledge From Hermarchus To Lucretius And Philodemus"

Post by "Cassius" of August 22, 2024 at 4:54 PM

[Joshua](#) given the material we covered in the last podcast, we may want to take a look at the material in this article and cover it next week, especially since this is a pretty recent article (2018 if i read correctly) and this helps us link together some of the more recently-discovered material with the older material.
