

The "meaning crisis" trend. How do you answer it as an Epicurean philosopher?

Post by "Eoghan Gardiner" of September 21, 2024 at 11:14 AM

What is the meaning crisis?

Figures on social media platforms, such as John Vervaeke, Jordan Peterson and others have been claiming there is a meaning crisis in society. Religion has been dethroned and people look for meaning in new age, their jobs or relationships.

How would you as an Epicurean answer this meaning crisis? Do you even accept the terms of things needing "meaning"? I have my own thoughts which I'll add later.
