

No Supernatural Entities, Forces, or Powers and No Ghosts

Post by “Pacatus” of September 24, 2024 at 5:57 PM

[Don](#)

If it were not for librarians – and other free researchers – such as yourself, I long ago would have been lost in the closely closeted (or corested?) strictures of those professors, philosophers and priests who permitted no thinking outside their – corsets. (“Why are you reading *that?!?*!”)

From my academic student days till now. Thank you.
