

Discussion Plan For Chapter 08 "Sensations, Anticipations, And Feelings" (Norman DeWitt's "Epicurus And His Philosophy")

Post by "Cassius" of May 15, 2019 at 1:03 PM

Yes Mousikos I agree with you and my position is pretty much DeWitt's. Unfortunately this is an area of controversy that isn't likely to be resolved short of finding new texts in Herculaneum which address it.

There are a series of posts in this forum on it [The Anticipations](#)

But we can discuss details anywhere you wish.
