

"Self Help Is Like a Vaccine" by Bryan Caplan

Post by "Cleveland Okie" of October 3, 2024 at 10:09 PM

That's a comforting thought from the man himself!

But I'm not worried about me -- it's a privilege that I finally found Epicureanism. I worry about the people who will never have a chance. Stoicism may be having a moment, but Epicureanism isn't, at least yet.
