

# On Ice Cream And Epicurean Philosophy

Writing in Italian to Michele, I remembered a movie of 1963 that is entitled in Italian "Il Gattopardo", in English is "The Leopard", by director Luchino Visconti, based on Giuseppe Tomasi di Lampedusa's novel of the same title.

If there is a case for [Cassius](#) to watch that movie or if he is already watched it, I would like to have his opinion and comments, and especially if he finds that the protagonist Burt Lancaster is an epicurean personality or not. 😊
